MEMORANDUM FOR THE CHAIRMAN,
INTERDEPARTMENTAL COMMITTEE ON INTERNAL SECURITY

SUBJECT: A Project to Provide a More Adequate Basis for Planning for the Security of the United States

1. I have been informed that the Joint Chiefs of Staff have completed the evaluation directed by the NSC in a directive transmitted by the Executive Secretary, NSC, on 30 August 1951.

2. This completes the various reports required as a basis for the summary evaluation which the NSC has directed me to prepare, in collaboration with the IIC, the IGIS, and JCS.

3. I propose that we discharge this collective responsibility by forming an ad hoc committee composed of at least one official from the contributing agencies, i.e., from the JCS, the IGIS, the IIC, and the IAC.

4. Will you please let me have the name of the individual designated to represent the IGIS. It will also be helpful if you designate an individual as working level contact to work with [redacted] of my office. [redacted] is undertaking the preparation of a draft of the summary evaluation for subsequent consideration by the ad hoc committee.
